THE OUTLOOK

Friends of Foothill Family Service gathered for its annual luncheon at a private club recently, introducing new members to the group and officially kicking off the new year of volunteerism. Guests heard remarks by FFS Board President Stephen Watkins and Executive Director Helen Morran-Wolf, who highlighted accomplishments from the 2010-11 year in which 23,233 children, families and teens were served.

Friends of Foothill members were acknowledged for their efforts in organizing the ever-growing backpack program which provided 1,000 backpacks to FFS clients starting school in September, and the Adopt-A-Family program that allowed 1,400 children and families to receive gifts last December. Friends of Foothill board members also gave details about upcoming philanthropic activities, including this year's Adopt-a-Family program and the 2012 "Havana Nights" benefit.
