

ENHANCED CARE MANAGEMENT (ECM)

Personalized Support. Stronger Connections. A Healthier You.

Foothill Family's Enhanced Care Management (ECM) provides personalized support to help individuals and families with complex needs to connect to healthcare, behavioral health and community resources.

WHO IS ELIGIBLE?

*For Eligible Medi-Cal Members

**YOUTH AT RISK FOR
AVOIDABLE HOSPITAL OR
ER UTILIZATION**

- Does your child frequently visit the ER or hospital?
- Does your child have ongoing health needs that are difficult to manage?
- Do you need help keeping up with your child's appointments, medications, or follow-up care?

**YOUTH WITH SERIOUS
MENTAL HEALTH AND/OR
SUBSTANCE USE DISORDER**

- Is your child struggling with their mental health or substance use?
- Does your child need help connecting to counseling, treatment, or behavioral health services?
- Are you unsure where to turn to get your child the right support?

**ADULTS AT RISK FOR LONG-
TERM CARE
INSTITUTIONALIZATION**

- Do you need extra support to continue living safely at home?
- Do health challenges make it difficult to manage daily activities or medical care on your own?
- Would additional in-home or community support help you stay independent?

**CHILDREN AND YOUTH
INVOLVED IN CHILD
WELFARE**

- Does your family need help connecting and coordinating healthcare, behavioral health, or community services?
- Do you need help managing your child's appointments and services?
- Does your child need support during changes in placement or caregivers?

**PREGNANT AND OR
POSTPARTUM INDIVIDUALS**

- Are you pregnant or recently had a baby and need extra support?
- Would help connecting to healthcare, mental health services, or community resources make this time easier?
- Do you need extra support caring for yourself and your baby during or after pregnancy?

Answered yes to any of these questions? You or your child may qualify for Enhanced Care Management.
