OUR VISION

Foothill Family envisions generations of healthy families and thriving communities.

Dear Friends,

As we prepare to enter our centennial year, I am reminded of the resilience and strength of our community. For nearly 100 years, Foothill Family has stood as a pillar of support for children and families, guiding them through challenges with compassion and care. This past year has reminded us of how quickly lives can be upended—and also revealed the incredible strength of neighbors, partners, and friends coming together to lift one another up.

Foothill Family has grown from a grassroots effort in Pasadena to an organization that reaches more than 25,000 community members annually. This growth underscores the critical need for services that support emotional well-being, especially in times of crisis. Our ability to adapt and respond swiftly to evolving needs is a testament to our dedication and agility in the face of adversity.

Looking forward, we are embarking on an ambitious journey: our **5-Year Strategic Plan—Working, Dreaming, Growing Together. Through this plan**, we will expand our impact, foster growth readiness, and secure diverse funding to ensure the sustainability of our mission. This plan builds on our legacy while embracing the opportunities and challenges ahead, ensuring we remain a steadfast source of support for children and families.

I want to extend a heartfelt thank you to our exceptional staff, who continue to provide high-quality, compassionate care with dedication and dignity. Their ability to innovate, adapt, and deliver services that meet the complex and changing needs of our families is at the heart of everything we do. Their work uplifts lives and strengthens the foundation of our mission every single day.

None of this would be possible without the visionary support of our Board of Directors, Advisory Board, the Friends of Foothill Family, Foundations, Corporate partners, community stakeholders, and our generous donors. Your belief in our mission fuels our work and ensures we can continue to be a source of strength for families in their most difficult moments.

To our supporters, I extend my deepest gratitude. Your investment in Foothill Family is an investment in hope, healing, and a brighter future. Together, we are building a community where children and families not only survive but thrive.

Thank you for your unwavering commitment!

With gratitude,

Steve Allen
Chief Executive Officer

Pathways to Professions Graduation

At Foothill Family, we believe healthy families are the foundation of every child's promise for a bright future, and the strength and resiliency of families provide the backbone of vibrant, thriving communities.

We are committed to improving infant, child, youth, and family development, resulting in success in relationships, school, and work.

For nearly 100 years, Foothill Family has led the way in providing comprehensive mental health and social services throughout the San Gabriel and Pomona Valleys, Glendale, and Burbank, through the following key programmatic areas:

Mental Health Care

Foothill Family provides effective mental health assessment and treatment for children and adults, individuals and families.

Programs include:

Outpatient Mental Health • Intensive Services: Therapeutic Behavioral Services (TBS), Full Service Partnership (FSP), Wraparound, Intensive Field Capable Clinical Services (IFCCS) • General Counseling • Enhanced Care Management (ECM) • Foothill Flourish

Early Childhood Development

Foothill Family's zero-to-five programs equip parents and caregivers of high-needs young children with early intervention, prevention strategies, and support—addressing developmental delays, autism spectrum disorder, and promoting healthy development during critical early years.

Programs include:

Early Head Start (EHS) Child-Care Partnership • EHS Home-Based Services • Early Esteem • Early Steps

School-Based Services

Foothill Family serves 18 Southern California school districts, supporting children and youth with social and emotional challenges to help them thrive at school, at home, and in their communities. Services also include teacher training and foster strong school, family, and community partnerships.

Programs include:

School-based Mental Health • School Contracts • Wellness Coaching

Youth & Family Services

Foothill Family launches families on healthy paths by providing mental health care for children and caregivers, support for victims of abuse and domestic violence, and case management and mentoring for pregnant or parenting youth to help them stay in school, raise healthy babies, and build positive parenting skills.

Programs include:

Batterers Treatment Program (BTP) • Cal Works Domestic Violence Case Management • CHAT (Child Abuse Treatment) • Healthy Families of America (HFA) • Family Preservation • PAirs (PArents Invested in Relationship Success) • Relative Support Services (RSS) • Teen Family Services (TFS): Adolescent Family Life Program, Cal Learn, SMART (Safe, Mutual, Accountable, Respect, Trust) Program, and Teen Inspired Project

Foothill Family taught me to get closer to my kids. I learned to be, a *fulfilling person* to myself, rather than looking around and maybe judging other people or blaming other people for my own mistakes. It takes a greater kind of accountability for you to be responsible for those actions, for those behaviors.

“I’ve become that *leader*, I’ve become *empowerment*. I’ve had people come and reach out to me for help. So, I think that’s also part of the *journey* of being able to better yourself, not only for your kids, but also for people around you. I see someone who’s very strong in front of me.”

“There’s actual help like **Foothill Family**.”

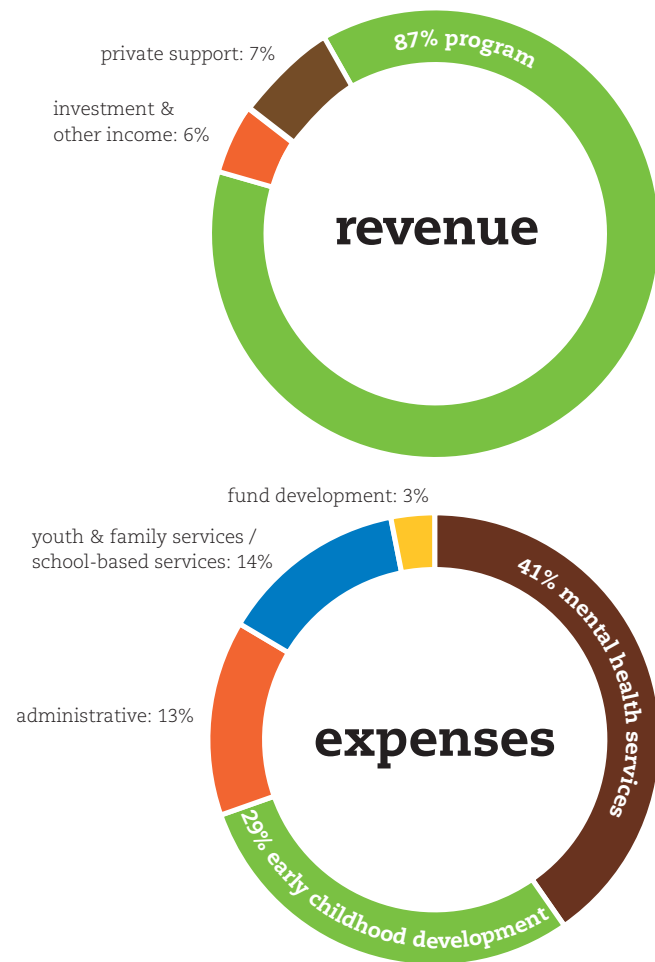

What I hope my kids see in me is to be strong, and to leave when things aren’t going good. If they need help, to tell me. To not stay quiet. Maybe I won’t have the solution to the problem, but we could both find one.”

new PROGRAMS

At Foothill Family, we believe that strong families are the foundation of thriving communities and the promise of a brighter future for every child. Since 1926, this belief has guided our mission and fueled our commitment to providing compassionate, impactful care. In 2023–2024, our program expansions reflect a bold step forward—innovating how we serve, expanding where we reach, and evolving what we offer to ensure every individual and family receives the support they need to grow, heal, and flourish. As the needs of our communities shift, Foothill Family continues to rise to meet them—with resilience, relevance, and purpose.

Early Steps

The Early Start (ES) program is a dynamic early intervention initiative designed to support infants and toddlers (ages 0-3) with developmental delays or those at risk of a developmental disability, along with their families. Through a coordinated, family-centered approach, Early Steps provides essential services that empower children to reach their fullest potential while strengthening family connections and support.

Enhanced Care Management (ECM)

Enhanced Care Management (ECM) is a Medical benefit providing comprehensive care coordination, including both physical and mental health services, for individuals with complex care needs. Foothill Family offers support to ensure individuals attend their appointments and understand medication instructions, leading to fewer instances of emergency room visits or the need for crisis services.

Wellness Coaches

In an exciting partnership with the Alhambra Unified School District, Foothill Family has expanded its School-Based Services, bringing three dedicated wellness coaches into 21 TK-1st grade classrooms. Through 158 hours of hands-on observation, these coaches have positively impacted over 540 young students, fostering a supportive and empowering environment for their emotional and social growth.

Foothill Flourish

An extension of Foothill Family, Foothill Flourish offers the same compassionate care through a boutique private practice model. Foothill Flourish provides a customized approach to mental wellness and coaching services, emphasizing results through highly trained, licensed therapists. Flourish therapists specialize in comprehensive and holistic support for individuals, families, teens, and children, ensuring lasting results.

“As President of Friends of Foothill, I had the privilege of leading an incredible group of women dedicated to *making a real difference* in our community. Working alongside such passionate and generous individuals was truly *inspiring*, and together, we helped ensure Foothill Family could continue providing *vital support* to families in need. Through our fundraising efforts and volunteer work, we directly contributed to *life-changing* services, from mental health support to family assistance, helping countless individuals build brighter futures.”
